

IRTF's 12th annual Social Justice Teach-In is a great opportunity for **PEOPLE OF ALL AGES** to learn about critical human rights issues and practice hands-on skills to organize for peace, economic justice, and human rights with 15 workshops by local and national experts!

This annual event attracts 150-200 participants, many from area high schools and colleges. The Teach-In will provide participants with information, practical skills, and resources to support their own human rights programming at their schools, congregations, or other groups—or to organize for change with IRTF!
