IRTF's 12th annual Social Justice Teach-In is a great opportunity for **PEOPLE OF ALL AGES** to learn about critical human rights issues and practice hands-on skills to organize for change. This annual event attracts 150-200 participants, many from area high schools and colleges. The Teach-In will provide participants with information, skills, and resources to support their own social justice programming at their schools, congregations, or with IRTF!

*We welcome your organization's listing as a **CO-SPONSOR** of the IRTF Social Justice Teach-In. (Alternatively, we could list a department or committee from your organization.)*
